Investing in the Future of Kansas 4-H

The Kansas Program Fee:
Beginning with the 2017-18 4-H year, Kansas 4-H will implement a $15 per member program fee for all community club and independent 4-H members. Cloverbuds will not be charged a program fee. The program fee will be paid at the time of enrollment within 4HOnline. A detailed explanation of the fee with Frequently Asked Questions is available and we have sent it to all 4-H families via email. Please be sure to read it closely, as it will answer many of your questions about the payment process. We will continue to communicate details about Investing in the Future of Kansas 4-H and the Kansas 4-H Program Fee throughout the summer months. Please read your emails and newsletters for more info.

Funds generated will strengthen our program priorities of volunteer development, project support and program enhancement. We understand you will have questions about methods of payments, how and when to pay, and we encourage you to read the “Investing in the Future of Kansas 4-H; a Guide to the 4-H Program Fee.” We feel this guide will be most helpful in answering many of your questions.

Our #1 goal is for Kansas 4-H to continue to enrich the lives of its youth members, families and adult volunteers. We want the implementation of the program fee to be as easy and smooth as possible.

Is the Kansas 4-H Program worth your investment? YES!

- 94% reported they gained important skills by serving their communities
- 95% reported being comfortable with making their own decisions
- 60% increase 4-H participants in their third year or more reported a 60% increase in their confidence in public speaking compared to newer participants

Superintendents Needed!!

Adult Superintendents:

If you are interested in becoming a superintendent in one or more project areas, we would love to have your leadership for this year’s Finney County Fair. 4-H and Open Class superintendent opportunities are available in the following areas:

Junior Superintendents:

We are currently looking for Junior Superintendents for this year’s Finney County Fair! We would like to have 4-Hers present at check-in times, during judging, and to help clean up during the Finney County Fair. For livestock projects, you would help pass out ribbons, hand out or collect cards during the show. We would advise you to become a superintendent in an area that you will not be exhibiting; this is especially true for livestock projects.

If you are interested, please contact Tayla at the Finney County Extension Office and let me know what areas you would like to help with. You may also fill out a sheet and return it to the Finney County Extension Office by May 31st. The phone number at the office is 620-272-3670, I will respond to texts at 719-571-0514, or email tlcannella@ksu.edu.

Project Areas Available:

Thank you to those of you who have continued to serve as adult or junior superintendents! The Finney County Fair would not be possible without your help and support!
**Club Corner**

**Finney Flyers**

The Finney Flyers April meeting was called to order on the 2\textsuperscript{nd} at 4:00 p.m. by Vice-President Keirstyn Hartman at the Finney County 4H Building. Roll Call was answered by: 14 members, 1 community leader and 4 parents & guests. Officers gave their reports and all were approved as read or submitted.

Connie Gross gave the Community Leaders report and noted that 4H needs 2 kids to attend the Chamber of Commerce Breakfast on May 17\textsuperscript{th} at 7 a.m. to give reports about 4-H. Shirt designs for the Finney County Fair were shared. Tagging dates are as follows: April 22 from 8-12 with a meal and clinic following and May 8\textsuperscript{th}/9\textsuperscript{th}.

There are changes in the fair schedule for this year so everyone needs to be aware and double check dates and times. All fair entries are online. Some early dates that families need to know are: July 18\textsuperscript{th}: Buymanship and July 21\textsuperscript{st}: Demonstrations.

The club voted to reimburse Connie for the $33 bowling costs from March. Miles combs gave a presentation about his years and projects in 4-H. Kynadee Ramsey led the song, “If You’re Happy and You Know It” and recreation was held outside after the meeting.

Host for this month was the Langdon/Combs family. The next club meeting will be held on May 7\textsuperscript{th} at 4 p.m.

**Sherlock Strivers**

The Sherlock Strivers 4-H Club met Sunday, April 2, 2017, at Holcomb Elementary.

21 members and 14 parents were present. Kyle Hammond called the meeting to order and Katie Mongeau read the minutes from the March meeting. The club members said the Pledge of Allegiance and the 4-H Pledge.

Under old business, the club discussed upcoming community service projects, Livestock Quality Assurance Training dates, and upcoming camps.

Under New business, members were informed of tagging dates and the Finney County Livestock Clinic and Spring Show. Horse ID papers will be due at the Extension Office by May 1. Market Beef Nominations for the state fair and KJLS are also due May 1. Members enrolled in photography were informed of the Shutterbug Zoo Clinic, and all members discussed changes for this year’s fair. Braden Robinson talked to the club about his Bucket Calf project. Some of his calves are orphans from Clark County, where a wild fire caused many ranchers to lose their cows. Members of our club decided to donate money to Meade County’s 4-H clubs to help them care for several of the Bucket Calves they have taken on.

Several members then gave Project Talks. The projects this month included Space Tech, Shooting Sports, Poultry, Energy Management, and Swine.

The next meeting will be May 7 at Holcomb Elementary.
